House Resolution No. 173.

A resolution honoring Bissell Inc. upon the occasion of their 125th anniversary of the founding of this business.

Whereas, It is with deep appreciation of the significance of this milestone that we commend the management and staff of Bissell Inc. as they mark the 125th anniversary of the founding of this exemplary business. We are proud to recognize the important role that this enterprise has played in contributing to both the economic well-being of the area and the lives of countless citizens. Bissell Inc. has supported the community in countless ways including contributions to the United Way, Junior Achievement, and the Ronald McDonald House; and

Whereas, In 1876, Melville Bissell patented the first carpet sweeper, and in doing so created a revolution in cleaning. After Melville Bissell’s unexpected death in 1889, his wife Anna overcame many challenges that ultimately made the company thrive. She led the company for 42 successful years. Succeeding her were company presidents Melville R. Bissell Jr., Melville R. Bissell III, John M. Bissell, now Chairman of the Board, and Bissell Inc.’s current President and CEO Mark Bissell. The leadership at Bissell has been a family succession that has allowed the company to prosper from generation to generation; and

Whereas, Since its founding in Grand Rapids, Bissell Inc. has become a vital element in helping Michigan grow and adapt to the needs in commerce and all aspects of life in Grand Rapids. This success in maintaining competitiveness during an era of many challenges is the direct result of the commitment of the people of this company and their ability to work together to offer the best in products and services over the years. Even as our cyclical Michigan economy has presented obstacles to growth and stability, Bissell Inc. has sustained itself through dedication and innovation; and

Whereas, In looking back over 125 years of Bissell Inc.’s history, it is clear that this business has set its course with a continuing look to the future. While the changes of the marketplace and technology dictate many of the decisions for any good company, Bissell Inc. has also demonstrated the importance of looking to the future with product research and development. We are grateful for all that Bissell Inc. has contributed to Grand Rapids and all of Michigan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor Bissell Inc. upon their 125th anniversary. We salute them on this happy occasion and wish them well in the years to come; and be it further Resolved, That a copy of this resolution be transmitted to Bissell Inc. as a token of our esteem.

Pending the reference of the resolution to a committee,

Rep. Patterson moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Minore, Zelenko, Rivet, Julian, Stewart, Ehardt, Voorhees, Koetje, Van Woerkom, Meyer, Faunce, Howell, DeRossett, Wojno, Bernero, Woodward, Hale, Basham, Sheltroun, Dennis, Toy, Neumann, George, Spade, Lipsey, McConico, Rich Brown, Gielegem, Adamini, Lemmons, Hansen, Clark, Rison, Jacobs, Waters, Bovin, Kilpatrick, Kolb, Lockwood, DeWeese, Murphy and Pappageorge offered the following resolution:

House Resolution No. 174.

A resolution commemorating August 19-25, 2001 as Crim Festival of Races Week in Michigan.

Whereas, It is with great pride that we join with the good people of Flint in celebrating the 25th running of “The Crim”, a festival of running events held each August. As the Flint community and thousands of runners and walkers from across the state and around the world gather to celebrate this milestone, we commend the race board, staff, event coordinators, the city of Flint, and volunteers for making “The Crim” a truly world class event. It is a source of great pride for the Flint community, as well as our great state of Michigan; and

Whereas, In 1977, after witnessing a Michigan Special Olympics event, House Speaker Bobby Crim was moved to do something to for this worthwhile cause. A runner himself, he decided to organize a road race in Flint. His goals were to run a world class event, raise money for Special Olympics, and to foster community pride. At 12:00 noon on August 25, 1977, the starter's pistol sounded the beginning of what would become a truly great tradition; and

Whereas, The history of the Crim Festival of Races is really the story of a community coming together to make Flint the center of the running world for one day each August. From a single event, its ten mile run, this race has grown to nine running and walking events. In addition, the Crim Festival of Races has developed neighborhood kids running clubs, Feelin' Good Milage Clubs, a walking program, and a Special Olympics run; and

Whereas, The daunting task of making this event happen is only possible through the remarkable support of the entire community. Its success is a direct result of the cooperation of the city of Flint, local businesses, and community organizations, as well as the hard work of festival staff, coordinators, the festival board, and over 3,000 volunteers. The Crim Festival Of Races, throughout its history, has proven time and time again that great things can happen when big dreams and hard work come together; and

Whereas, We join with representatives of the Crim Festival of Races, the Flint community, runners, and walkers on August 25th to celebrate the 25th running of "The Crim"; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate August 19 - 25, 2001 as Crim Festival of Races Week in Michigan and express appreciation for their valuable contributions in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the board of directors of the Crim Festival of Races.

Pending the reference of the resolution to a committee,

Rep. Patterson moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Bishop, Rivet, Julian, DeVuyst, Stewart, Ehardt, Voorhees, Kuipers, Koetje, Meyer, Vear, Faunce, Howell, DeRossett, Raczkowski, Toy, Gosselin, Cassis, Vander Roest, Kowall, George, Lipsey, Jacobs, Waters, Minore, Kilpatrick, Kooiman and DeWeese offered the following resolution:

House Resolution No. 175.

A resolution to urge the Department of Education to encourage Michigan schools to incorporate the Kid Savers financial education program into their curriculum.

Whereas, In recent years, state, federal, and local efforts in education have focused on traditional classroom subject areas, especially student performance in reading and mathematics. There is widespread agreement that better instruction in these areas will profoundly influence the direction of our country in the years ahead. There is considerable evidence to suggest that more work needs to be done to provide our young people with basic instruction on personal finance as another area important to our nation's future; and

Whereas, Studies indicate that many of our students leave school with an appalling lack of understanding of simple concepts in money management, including saving, borrowing, credit cards, and investing. This contributes to national problems of high levels of personal debt, a large rate of bankruptcy, and low saving rates; and

Whereas, A group of banks, credit unions, independent representatives, and philanthropic organizations called the Kid Savers Network has developed a program to bring basic personal finance education to students. The program, which includes instructions for students of all grade levels, uses "kid-friendly" software to explain and simplify a wide range of transactions and concepts. A key element in the program is sponsorship from local financial institutions, which enables the students to gain hands-on experience with accounts and savings and fosters a stronger sense of the community's stake in the education of our young people; now, therefore, be it

Resolved by the House of Representatives, That we urge the Department of Education to encourage Michigan schools to incorporate the Kid Savers financial education program into their curriculum; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Department of Education.

The resolution was referred to the Committee on Education.

Rep. Patterson moved that the bill be given immediate effect.
The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Jamnick, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

I am voting no on passage of the General Government Budget because, while there are increases in Revenue Sharing Distributions for Cities, Villages and Townships and a reduction for Counties, we continue to fail to fund fully the formula for distributions of these dollars. In these challenging economic times, dollars are needed for our local units too. In my opinion, I believe we in the State government must assume a leadership roll and fund formulas fully that we have created.”

Rep. Drolet, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

This budget contains exorbitant pay raises for state officeholders. Due to previous legislative action—and inaction—it was constitutionally impermissible for the committee to adjust those pay increases. Despite this obstacle, the Chairman of the subcommittee responsible for this bill has done a remarkable job keeping costs in line. Absent the pay increases, this is what all of our budgets should look like.

However, I am in a unique position, and I cannot ignore the pay increases. Unlike the Senate, the House did show some courage in voting on those pay increases. Putting off those pay increases at the onset of a recession would have been the prudent policy. It is a policy that I enthusiastically supported, but I did not then have a vote to cast on the matter.

I now have that vote. I regret that I must vote against a budget that so clearly adheres to sound fiscal policy. Unfortunately, due to matters beyond their control, the committee was forced to include a pay increase that is the antithesis of good government. Nonetheless, I commend the committee and its chairman for making tough and fiscally wise choices.”

Rep. Rich Brown, Bogardus, Hale, Woodward, Lockwood, Adamini, Basham, Callahan, Rison and Dennis, having reserved the right to explain their nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no on the conference report to Senate Bill 234, the General Government Budget for Fiscal Year 2002 because it reduced much needed revenue sharing payments to counties, cities townships and villages.

It is irresponsible for the Legislature to reduce funding for localities while in the same report support the double digit salary increase for themselves.

Revenue sharing is the primary source of funding for local units of government for essential services such as fire, police and social services. This action would likely result in reduced crucial services and or increased taxes on the municipal level.

The Legislature has consistently protected K-12 school funding from possible reduced sales and other tax revenue. This conference report does not protect other forms of local governmental units. That is contradictory.”

Rep. Anderson, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no on the conference report to Senate Bill 234, the General Government Budget for Fiscal Year 2002 because it reduced much needed revenue sharing payments to counties, cities townships and villages.

It is irresponsible for the Legislature to reduce funding for localities while in the same report support the double digit salary increase for themselves.

The Legislature has consistently protected K-12 school funding from possible reduced sales and other tax revenue. This conference report does not protect other forms of local governmental units. That is contradictory.”

Rep. Jacobs moved that Rep. Clarke be excused temporarily from today’s session.
The motion prevailed.

The department shall include a section in the report required in subsection (2) detailing efforts to reduce the dependence on state operating subsidies and projected operating expenses for the next 2 years, and recommending service alternatives, for the Grand Rapids to Chicago service and the Port Huron to Chicago service.

Sec. 715. (1) On or before January 28, 2002, the department, together with the house and senate fiscal agencies and the department of management and budget, shall estimate the unreserved and unencumbered closing balance of the comprehensive transportation fund (CTF) for the fiscal year ending September 30, 2001. The estimate shall consider lapsed appropriations from the CTF and revised estimates of state restricted transportation revenue.

(2) On or before February 4, 2002, the department shall request a legislative transfer in accordance with section 393 of the management and budget act, 1984 PA 431, MCL 18.1393, to appropriate any estimated unreserved and unencumbered CTF fund balance in excess of \$1,000,000.00. The department shall explore the potential uses of TANF funds, which may be made available to the comprehensive transportation fund from the family independence agency for employment transportation services, and shall develop a grant program for the use of the funds by local transit agencies which provide transportation for welfare-to-work participants. The department shall coordinate this program with the family independence agency and the Michigan department of career development.

Sec. 802. The department and the departments of state police and natural resources shall continue to develop plans for the maintenance, scheduling, and use of all state-owned, noncombat aircraft. It is the intent of the legislature that these plans maximize the cost-efficient use of the state transportation air fleet. The departments shall prepare a joint report, coordinated by the department, on the development and implementation of these plans.

Sec. 803. (1) From the funds appropriated in section 113, the department shall establish an aeronautics safety officer position to coordinate safety functions between the department, the department of natural resources, and the department of state police. It is the intent of the legislature that the safety officer position is jointly funded by the 3 departments in equal shares.

(2) In addition to the funds appropriated in section 113, the department is authorized to expend funds received from the department of natural resources and the department of state police that are intended to support the aeronautics safety officer position established in subsection (1).

Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from one position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause loss of revenue to the state, result in the inability of the state to receive federal funds, or would necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report by the thirtieth of each month to the chairpersons of the senate and house standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$200,000,000.00 for federal contingency funds. Sec. 207. At least 60 days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months.

Sec. 208. The department shall continue to pilot the use of the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on the Internet or legislative Intranet site. The senate and house appropriations subcommittees and senate and house fiscal agencies shall be notified in writing of the Internet or Intranet site of any such report. Quarterly, the department shall provide a cumulative listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, and a list of those reports expected to be transmitted in the following quarter.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

Sec. 211. The department may receive and expend advances or reimbursements from the department of state police for the administration of the individual and family grant disaster assistance program. An account shall be established in the department for this purpose when a disaster is declared. The authorization and allotment for the account shall be in the amount advanced or reimbursed from the department of state police.

Sec. 212. In addition to funds appropriated in part 1 for all programs and services, there is appropriated for write-offs of accounts receivable, deferrals, and for prior year obligations in excess of applicable prior year appropriations, an amount equal to total write-offs and prior year obligations, but not to exceed amounts available in prior year revenues or current year revenues that are in excess of the authorized amount.

Sec. 213. The department may retain all of the state's share of food stamp overissuance collections as an offset to general fund/general purpose costs. Retained collections shall be applied against federal funds deductions in all appropriation units where department costs related to the investigation and recoupment of food stamp overissuances are incurred. Retained collections in excess of such costs shall be applied against the federal funds deducted in the executive operations appropriation unit.

Sec. 214. (1) The department shall submit a report to the chairpersons of the senate and house appropriations subcommittees on the family independence agency budget and to the senate and house fiscal agencies on the details of

Sec. 215. If a legislative objective of this act or the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, cannot be implemented without loss of federal financial participation because implementation would conflict with or violate federal regulations, the department shall notify the house and senate appropriations committees and the house and senate fiscal agencies of that fact. Upon receipt of the notification, a joint house and senate committee made up of the members of the house and senate appropriations subcommittees dealing with appropriations for the family independence agency may be appointed to meet with the director of the department to review the substantive, procedural, and legal ramifications of the legislative objective and to develop a plan to attain that legislative objective.

Sec. 217. The departments and state agencies receiving appropriations under this act shall receive and retain copies of all reports funded from appropriations in part 1. These departments and state agencies shall follow federal and state guidelines for short-term and long-term retention of these reports and records.

The report shall be forwarded to the house and senate appropriations subcommittees on the family independence agency budget on or before October 15, 2001 and April 15, 2002.

(2) The state budget director shall give prior written notice to the members of the house and senate appropriations subcommittees for the family independence agency and to the house and senate fiscal agencies of any proposed changes in utilization or distribution of TANF funding or the distribution of TANF maintenance of effort spending relative to the amounts reflected in the annual appropriations acts of all state agencies where TANF funding is appropriated.

Sec. 219. The department shall include in its quality control reporting the number of veterans receiving food stamps, family independence program assistance, and Medicaid.

(2) If an individual requests the service and has an objection to the religious character of the institution or organization from which the individual receives or would receive services or assistance, the department shall provide the individual within a reasonable time after the date of the objection with assistance or services and which are substantially the same as the service the individual would have received from the organization.

(3) Notwithstanding subsections (1) and (2), the department shall cooperate with faith-based organizations so that they are able to compete on the same basis as any other private organization for contracts to provide services to recipients of department services, including, but not limited to, mentoring or supportive services. The department shall not discriminate against an organization that applies to become a contractor on the basis that the organization has a religious character.

(4) The department shall follow guidelines related to faith-based involvement established in section 104 of title I of the personal responsibility and work opportunity reconciliation act of 1996, Public Law 104-193, 42 U.S.C. 604a.

The report is due biennially on May 1 of the fiscal year and shall be submitted to the governor, auditor general, the senate and house appropriations committees, the senate and house fiscal agencies, and the director.

Sec. 223. The department shall make a determination of Medicaid eligibility not later than 60 days after all information to make the determination is received from the applicant when disability is an eligibility factor. For all other Medicaid applicants, the department shall make a determination of Medicaid eligibility not later than 45 days after all information to make the determination is received from the applicant.

Sec. 224. It is the intent of the legislature that the department develop a system of flexible hours at local department offices in order to maintain some nontraditional business hours.

Sec. 225. It is the intent of the legislature that the department institute a process that ensures the negotiations with providers for contractual purchase of services are completed prior to the beginning of the fiscal year. This process will include development of agency-wide standards of promptness, establishment of time frames within each program area for completion of contract steps, and prompt notification of availability of funds. The department will also ensure that providers receive full reimbursement for allowable expenditures within 30 days of the end of the first quarter of the contract period.

Sec. 226. In order to recognize savings within the budget, both of the following apply:

(a) From the funds appropriated in part 1, no funds shall be expended for leased space at 899 West Baltimore Street, Detroit, Michigan.

(b) From the funds appropriated in part 1 for the family independence program, up to 3% may be used by the department for administrative purposes allowable under TANF guidelines.

Sec. 227. The family independence agency, with the approval of the state budget director, is authorized to realign sources of financing authorizations in order to maximize temporary assistance for needy families' maintenance of effort countable expenditures. This realignment of financing shall not be made until 15 days after notifying the chairs of the house and senate appropriations subcommittees on the family independence agency and house and senate fiscal agencies, and shall not produce an increase or decrease in any line-item expenditure authorization.

EXECUTIVE OPERATIONS

Sec. 301. (1) The department may distribute cash assistance to recipients electronically by using debit cards.

(2) The department shall report to the house and senate appropriations subcommittees on the family independence agency, the house and senate fiscal agencies, and the house and senate policy staff by February 15, 2002 on a proposal for the fiscal year ending September 30, 2003 that would limit purchases from the children's clothing allowance to school clothing only.

The per diem payment for the Michigan commission for the blind shall be at a rate of \$50.00 per day.

FAMILY INDEPENDENCE SERVICES ADMINISTRATION

Sec. 401. (1) From the federal money received for child support incentive payments, up to \$4,365,200.00 shall be retained by the state and expended for legal support contracts, state incentive payments, and salaries and wages for office of child support staff.

(2) At the end of the current fiscal year, the department may, when it is cost beneficial to the state and counties, withhold from submitting to the federal office of child support administrative expenses eligible for federal financial participation. The department may recoup earned but unclaimed federal funds from the resulting increased federal child support incentive. The recoupment by the department shall be made prior to distribution of the increased incentive to the counties. Any incentive funds retained by the state under this section shall be separate and apart from incentive funds retained in any other section of this act.

(3) A county shall not be penalized due to the failure to comply with federal child support enforcement system requirements if the department determines that all of the following conditions are met:

(a) The county, friend of the court, and the department have a written agreement that outlines the county's commitment to participate in the system.

(b) The county and the friend of the court are fully and timely cooperating with the work plan outlined in the child support enforcement memorandum of understanding between the department and the county.

(c) The county and the friend of the court are implementing the child support enforcement system required for federal certification.

(d) The prosecuting attorney's office for the county cooperates with the implementation of the legal module of the system.

(4) The department shall report on the progress of reaching the child support enforcement system federal certification on a quarterly basis to the senate and house appropriations subcommittees on the family independence agency, the senate and house human services standing committees, the senate and house fiscal agencies, and the senate and house policy staff. The report shall include, but not be limited to, the number of counties that have implemented the system, the further steps needed to be taken for system certification by the state and the counties, and an update on the anticipated penalties the state shall be required to pay as a result of this and any further delay.

(5) In addition to the amount specified in subsection (1), the family independence agency may retain any federal title IV-D incentive payment revenues withheld from counties pursuant to the imposition of financial penalties, and may use the federal revenues retained for any child support program purpose. If action is taken under this section, the department shall include in the report required under subsection (4) the county, the amount of funds withheld, and the manner in which the funds are now being used.

Sec. 403. Not later than September 30 of each year, the department shall submit for public hearing to the chairpersons of the house and senate appropriations subcommittees dealing with appropriations for the family independence agency the proposed use and distribution plan for community services block grant funds appropriated in section 103 for the succeeding fiscal year.

Sec. 404. The department shall develop a plan based on recommendations from the department of civil rights, and Indian organizations such as the Michigan urban Indian consortium as the central representative of all human service-oriented off-reservation Indian organizations and the inter-tribal council of Michigan to assure that the community services block grant funds are equitably distributed. The plan must be developed by October 31, 2001, and the plan shall be delivered to the appropriations subcommittees on the family independence agency in the house and senate.

Sec. 405. The state general fund/general purpose contribution related to the Wayne County third circuit court cooperative reimbursement contract resides in the judiciary budget. There are no general fund/general purpose funds appropriated for this purpose in the family independence agency budget.

Sec. 407. From the funds appropriated in part 1 for family preservation and prevention services, the department shall contract with Created for Caring for \$112,500.00 in TANF funds for TANF allowable services. The department is authorized to make allocations of TANF funds only to the agencies that report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements. The use of TANF funds under this section should not be considered an ongoing commitment of funding.

Sec. 412. If title IV-D-related child support collections are escheated, the state budget director is authorized to adjust the sources of financing for the funds appropriated in part 1 for legal support contracts to reduce federal authorization by 66% of the escheated amount and increase general fund/general purpose authorization by the same amount. This budget adjustment is required to offset the loss of federal revenue due to the escheated amount being counted as title IV-D program income in accordance with federal regulations at 45 C.F.R. 304.50.

Sec. 413. (1) The department shall develop, implement, and provide a training program to each department employee who is required to perform a field investigation or home visit. The training program shall include both of the following:

(a) Mandatory training on defusing threatening behavior.

The department may choose providers that will work with counties to help eligible fathers under TANF guidelines to acquire skills that will enable them to increase their responsible behavior toward their children and the mothers of their children. An increase of financial support for their children should be a very high priority as well as emotional support. Program topics may include, but are not limited to, parental guidance, infant care, food preparation, effective communication, anger management, children's financial support, respect, drug-free lifestyle, vocational training referrals, and job placement.

(2) The providers will measure outcomes as agreed upon by the department and based on required TANF reporting guidelines.

(3) The department is authorized to make allocations of TANF funds, of not more than \$200,000.00 per county, under this section only to agencies that report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements. The use of TANF funds under this section should not be considered an ongoing commitment of funding.

(4) The department shall award grants or contracts to independent contractors utilizing a request for proposal process.

(5) The department shall choose providers through the request for proposal process.

The department may choose providers to work with counties, with no county receiving more than \$50,000.00, that will use TANF funds to encourage innovation within the state for any TANF-eligible reasons. The department will use TANF guidelines for reporting outcomes and defining expectations for success that could be implemented in other communities in the future.

(2) From the funds appropriated in part 1 for employment and training support services, up to \$1,000,000.00 in TANF may be used to support a youth learning innovations training center designed to enhance technical literacy.

Sec. 509. (1) From the funds appropriated in part 1, the department shall not expend funds to preserve or reunite a family, unless there is a court order requiring the preservation or reuniting of the family or the court denies the petition, if either of the following would result:

- (a) A child would be living in the same household with a parent or other adult who has been convicted of criminal sexual conduct against a child.
- (b) A child would be living in the same household with a parent or other adult against whom there is a substantiated charge of sexual abuse against a child.

(2) Notwithstanding subsection (1), this section shall not prohibit counseling or other services provided by the department, if the service is not directed toward influencing the child to remain in an abusive environment, justifying the actions of the abuser, or reuniting the family.

Sec. 510. The department shall not be required to put up for bids contracts with service providers if currently only 1 provider in the service area exists.

Sec. 512. From the funds appropriated in part 1 for foster care payments, the department may expend up to \$1,500,000.00 for foster care pilot projects that include ways to increase foster parent recruitment, improve foster parent retention, and increase delivery of training and supportive services to foster parents.

Sec. 513. The department shall not expend funds appropriated in part 1 to pay for the placement of a child in an out-of-state facility unless all of the following conditions are met:

(a) There is no appropriate placement available in this state.

(b) The out-of-state facility meets all of the licensing standards of this state for a comparable facility.

(c) The out-of-state facility meets all of the applicable licensing standards of the state in which it is located.

(b) The total number of special needs adoptions completed in the fiscal year ending September 30, 2001.

Sec. 517. (1) From the funds appropriated in part 1 for family preservation and prevention services, the department is authorized to allocate funds to multipurpose collaborative bodies to address issues raised in the Binsfeld children's commission report issued in July 1996. Priority for activities and services will be given to at-risk children and families and cases classified by the department as category III or category IV under sections 8 and 8d of the child protection law, 1975 PA 238, MCL 722.628 and 722.628d.

(2) From the funds appropriated in part 1 for family preservation and prevention services, up to \$4,000,000.00 may be used to fund community-based collaborative prevention services designed to do any of the following:

(a) Foster positive parenting skills especially for parents of children under 3 years of age.

(b) Improve parent/child interaction.

(c) Promote access to needed community services.

(d) Increase local capacity to serve families at risk.

(e) Improve school readiness.

(f) Support healthy family environments that discourage alcohol, tobacco, and other drug use.

(3) The appropriation provided for in subsection (2) is to fund secondary prevention programs as defined in the children's trust fund's pre-application materials for fiscal year 2001-2002 direct services grants.

(4) Projects funded through the appropriation provided for in subsection (2) shall meet all of the following criteria:

(a) Be awarded through a joint request for proposal process established by the department in conjunction with the children's trust fund and the state human services directors.

(b) Be secondary prevention initiatives. Funds are not intended to be expended in cases in which neglect or abuse has been substantiated.

(c) Demonstrate that the planned services are part of a community's integrated comprehensive family support strategy endorsed by the local multipurpose collaborative body.

(d) Provide a 25% local match of which not more than 10% is in-kind goods or services unless the maximum percentage is waived by the state human services directors.

(5) As used in this section, "state human services directors" means the director of the department of community health, the director of the department of education, and the director of the family independence agency.

Sec. 518. (1) It is the intent of the legislature that the funds appropriated in part 1 for family preservation and prevention services in the 2001-2002 fiscal year reflect strong families/safe children allocations to local multipurpose collaborative bodies that are no less than the allocations in effect on April 1, 1997.

(2) In order to maintain this level of funding, the department may use up to \$8,000,000.00 in TANF funds provided that the local multipurpose collaborative bodies submit data to the department that will enable the department to document potential federal claimable expenditures.

(3) No later than March 1, 2002, each local multipurpose collaborative body shall submit a report to the department that includes the number of people receiving strong families/safe children services, the local goals for this program, and a measure of the effectiveness in meeting these goals.

Sec. 519. From the funds appropriated in part 1 for foster care payments, Wayne County foster care payments, and adoption subsidies, the department shall increase the rate of payments for foster parents and parents receiving adoption subsidies by 1% effective October 1, 2002.

Sec. 520. It is the intent of the legislature that the funds appropriated in part 1 for kinship care in the fiscal year ending September 30, 2002 reflect the legislature's commitment to reduce the benefit discrepancy between kinship care and a similar family size within the family independence agency program (FIP). The legislature recognizes the commitment of relatives to provide family continuity, nurturance, and care for this special population of children who can no longer remain in their parents' care due to abuse, neglect, or other social problems.

Sec. 523. From the funds appropriated in part 1 for youth in transition, domestic violence prevention and treatment, and teenage parent counseling, the department is authorized to make allocations of TANF funds only to the agencies that report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements. The use of TANF funds under this section should not be considered an ongoing commitment of funding.

Sec. 524. The department shall submit to the senate and house appropriations subcommittees on the family independence agency, the senate and house standing committees having jurisdiction over human services matters, the senate and house fiscal agencies, and the senate and house policy offices a quarterly report, beginning April 2, 2001, detailing the status of the prevention services program.

Sec. 529. The department shall analyze actual staff turnover rates for public child welfare workers within a sample of 10 counties as compared to findings on staff retention rate surveys at the national level.

The programs shall focus on diversity of foster parents, and recruitment of homes appropriate for teens and other high-risk placements. The programs should draw from models including, but not limited to, one church one child, foster home mentoring, neighborhood based recruitment, and multimedia outreach.

PUBLIC ASSISTANCE

Sec. 601. (1) The department may terminate a vendor payment for shelter upon written notice from the appropriate local unit of government that a recipient's rental unit is not in compliance with applicable local housing codes or when the landlord is delinquent on property tax payments. A landlord shall be considered to be in compliance with local housing codes when the department receives from the landlord a signed statement stating that the rental unit is in compliance with local housing codes and that statement is not contradicted by the recipient and the local housing authority. The department shall terminate vendor payments if a taxing authority notifies the department that taxes are delinquent.

(2) Whenever a client agrees to the release of his or her name and address to the local housing authority, the department shall request from the local housing authority information regarding whether the housing unit for which vendoring has been requested meets applicable local housing codes. Vendoring shall be terminated for those units that the local authority indicates in writing do not meet local housing codes until such time as the local authority indicates in writing that local housing codes have been met.

(3) In order to participate in the rent vendoring programs of the department, a landlord shall cooperate in weatherization and conservation efforts directed by the department or by an energy provider participating in an agreement with the department when the landlord's property has been identified as needing services.

Sec. 602. The department, together with other agencies, may establish special projects to provide special needs shelter payment levels for the family independence program that will support the development of transitional shelter facilities for homeless families. These facilities are to provide supportive services to families and to support the development of permanent low-income housing.

Sec. 603. (1) The department, as it determines is appropriate, shall enter into agreements with energy providers by which cash assistance recipients and the energy providers agree to permit the department to make direct payments to the energy providers on behalf of the recipient. The payments may include heat and electric payment requirements from recipient grants and amounts in excess of the payment requirements.

(2) The department shall establish caps for natural gas, wood, electric heat service, deliverable fuel heat services, and for electric service based on available federal funds.

(3) The department shall negotiate with positive billing utility companies to develop extended payment plans. Such plans shall allow clients who terminate from positive billing due to increased income to make monthly payments in order to gradually liquidate utility arrears.

(4) It is the intent of the legislature that the department review and adjust the standard utility allowance for the state food stamp program to ensure that it reflects current energy costs in the state.

Sec. 604. (1) The department shall operate a state disability assistance program. Except as provided in subsection (3), persons eligible for this program shall include needy citizens of the United States or aliens exempted from the supplemental security income citizenship requirement who are at least 18 years of age or emancipated minors meeting 1 or more of the following requirements:

(a) A recipient of supplemental security income, social security, or medical assistance due to disability or 65 years of age or older.

(b) A person with a physical or mental impairment which meets federal supplemental security income disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

(c) A resident of an adult foster care facility, a home for the aged, a county infirmary, or a substance abuse treatment center.

(d) A person receiving 30-day postresidential substance abuse treatment.

(e) A person diagnosed as having acquired immunodeficiency syndrome.

(f) A person receiving special education services through the local intermediate school district.

(g) A caretaker of a disabled person as defined in subdivision (a), (b), (e), or (f) above.

(a) Meet the same asset test as is applied to applicants for the family independence program.

(b) Have a monthly budgetable income that is less than the payment standards.

(3) Except for a person described in subsection (1)(c) or (d), a person is not disabled for purposes of this section if his or her drug addiction or alcoholism is a contributing factor material to the determination of disability. "Material to the determination of disability" means that, if the person stopped using drugs or alcohol, his or her remaining physical or mental limitations would not be disabling. If his or her remaining physical or mental limitations would be disabling, then the drug addiction or alcoholism is not material to the determination of disability and the person may receive state disability assistance. Such a person must actively participate in a substance abuse treatment program, and the assistance must be paid to a third party or through vendor payments. For purposes of this section, substance abuse treatment includes receipt of inpatient or outpatient services or participation in alcoholics anonymous or a similar program.

(4) A refugee or asylee who loses his or her eligibility for the federal supplemental security income program by virtue of exceeding the maximum time limit for eligibility as delineated in section 402 of title IV of the personal responsibility and work opportunity reconciliation act of 1996, Public Law 104-193, 8 U.S.C. 1612, and who otherwise meets the eligibility criteria under this section shall be eligible to receive benefits under the state disability assistance program.

Sec. 606. County family independence agencies shall require each recipient of state disability assistance who has applied with the social security administration for supplemental security income to sign a contract to repay any assistance rendered through the state disability assistance program upon receipt of retroactive supplemental security income benefits.

Sec. 607. The department's ability to satisfy appropriation deductions in part 1 for state disability assistance/supplemental security income recoveries and public assistance recoupment revenues shall not be limited to recoveries and accruals pertaining to state disability assistance, or family independence assistance grant payments provided only in the current fiscal year, but shall include all related net recoveries received during the current fiscal year.

Sec. 608. Adult foster care facilities providing domiciliary care or personal care to residents receiving supplemental security income or homes for the aged serving residents receiving supplemental security income shall not require those residents to reimburse the home or facility for care at rates in excess of those legislatively authorized. To the extent permitted by federal law, adult foster care facilities and homes for the aged serving residents receiving supplemental security income shall not be prohibited from accepting third-party payments in addition to supplemental security income provided that the payments are not for food, clothing, shelter, or result in a reduction in the recipient's supplemental security income payment.

Sec. 609. The state supplementation level under the supplemental security income program for the personal care/adult foster care and home for the aged categories shall not be reduced during the fiscal year beginning October 1, 2001 and ending September 30, 2002.

Sec. 610. In developing good cause criteria for the state emergency relief program, the department shall grant exemptions if the emergency resulted from unexpected expenses related to maintaining or securing employment.

Sec. 611. (1) The department shall not require providers of burial services to accept state payment for indigent burials as payments in full. Providers shall be permitted to collect additional payment, not to exceed \$2,600.00, from relatives or other persons on behalf of the deceased.

(2) Any additional payment collected pursuant to subsection (1) shall not increase the maximum charge limit for state payment as established by law.

Sec. 612. For purposes of determining housing affordability eligibility for state emergency relief, a group is considered to have sufficient income to meet ongoing housing expenses if their total housing obligation does not exceed 75% of their total net income.

Sec. 613. From the funds appropriated in part 1 for state emergency relief, the maximum allowable charge limit for indigent burials shall be \$1,160.00.

Sec. 614. The funds available pursuant to this section shall be available if the deceased was an eligible recipient and an application for emergency relief funds was made within 10 days of the burial or cremation of the deceased person. Each provider of burial services shall be paid directly by the department.

Sec. 615. Except as required by federal law or regulations, funds appropriated in part 1 shall not be used to provide public assistance to a person who is an illegal alien. This section shall not prohibit the department from entering into contracts with food banks or emergency shelter providers who may, as a normal part of doing business, provide food or emergency shelter to individuals.

Sec. 616. (1) The appropriation in part 1 for the weatherization program shall be expended in such a manner that at least 25% of the households weatherized under the program shall be households of families receiving 1 or more of the following:

- (a) Family independence assistance.
- (b) State disability assistance.
- (c) Food stamps.
- (d) Supplemental security income.

(2) Any unencumbered balances of the weatherization program shall not lapse and may be carried forward to fiscal year 2003.

 - (c) A recipient child is removed from his or her family home by court action.
 - (d) A recipient requests in writing that his or her assistance be reduced, terminated, or suspended.
 - (e) A recipient has intentionally violated 1 or more of the requirements of the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b.
 - (f) A recipient has been approved to receive assistance in another state.
 - (g) A change in either state or federal law that requires automatic grant adjustments for classes of recipients.
- (3) If a recipient appeals the department's determination to reduce, terminate, or suspend his or her assistance within 10 days from the mailing of the notice of negative action, the department shall not reduce, terminate, or suspend that assistance until there is a final determination of that appeal upholding the department's determination to reduce, terminate, or suspend that assistance.

Sec. 619. The department shall exempt from the denial of title IV-A assistance and food stamp benefits, contained in section 115 of title I of the personal responsibility and work opportunity reconciliation act of 1996, Public Law 104-193, 21 U.S.C. 862a, any individual who has been convicted of a felony that included the possession, use, or distribution of a controlled substance, after August 22, 1996, provided that the individual is not in violation of his or her probation or parole requirements. Benefits shall be provided to such individuals as follows:

- (a) A third-party payee or vendor shall be required for any cash benefits provided.
- (b) An authorized representative shall be required for food stamp receipt.

Sec. 620. (1) The department shall ensure that all family independence agency clients are informed in writing of additional programs for which they may potentially be eligible. department of transportation, training programs administered by the department of career development, individual development account opportunities, and instructions on the application process for each program benefit.

(2) At the client's discretion, the department shall grant an exit interview to discuss issues pertaining to self-sufficiency including all of the information outlined in subsection (1). Clients shall be notified of their right to an exit interview.

Sec. 621. Funds appropriated in part 1 may be used to support multicultural assimilation and support services. The department shall distribute all of the funds described in this section based on assessed community needs.

Sec. 624. The department shall maintain a plan to provide for the implementation of individual development accounts pursuant to section 57k of the social welfare act, 1939 PA 280, MCL 400.57k, by individuals who apply for or receive public assistance from the department.

Sec. 625. The department in collaboration with the Michigan state university center for urban affairs and its partner organizations, the Michigan credit union league and the national federation of community development credit unions, shall further the work begun in fiscal year 1999-2000 that implemented the individual development accounts programs in the growing number of low-income designated credit unions, i.e., community development credit unions (CDCUs) located in this state's poorest communities. This further work will extend capacity-building and technical assistance services to existing and emerging CDCUs serving low-income populations and will include:

(a) Creation of a Michigan-based support system for the capacity-building of existing and emerging CDCUs serving low-income individuals and families, including development and testing of training, technical assistance, and professional development initiatives and related materials, and other capacity-building services to Michigan CDCUs.

(b) Other related support to assist existing and emerging CDCUs in becoming self-supporting institutions to assist impoverished Michigan residents in becoming economically independent.

(c) Training and technical assistance to CDCUs in the development of support services, such as economic literacy, credit counseling, budget counseling, and asset management programs for low-income individuals and families.

Sec. 626. (1) From the funds appropriated in section 109 for day care services, the department shall expend funds for day care provider training programs administered under contract. Training shall be made available to all day care providers including those who work out of centers, group homes, family homes, and the homes of relatives, and in-home aides.

(2) From the funds appropriated in subsection (1), a contractor or multiple contractors shall administer a training pilot project targeting in-home aides and persons providing child care to relatives. Providers who verify that they have received day care payments for at least 3 months from the department and who successfully complete at least 15 hours of approved child care training shall be eligible to receive a 1-time lump sum payment of up to \$150.00 for training received after October 1, 2000. The total paid in lump sum payments and training costs shall not exceed \$300,000.00. Approved training may include programs operated by the Michigan community coordinated child care association, the Michigan association for the education of young children, community colleges, universities, or university extension programs.

Sec. 627. (1) From the funds appropriated in section 109 for day care services, the department shall contract to administer an amount not to exceed \$1,350,000.00 for the "enhance quality improvement program" (EQUIP) grants. A priority for the expenditure of EQUIP funds shall be given to providers to expand access to child care, specifically 24-hour care and weekend care. A child care program shall not be eligible for an EQUIP grant unless 25% or more of its clients receive day care payments from the department.

(2) From the funds appropriated in part 1 for day care services, the department shall establish an additional fund of at least \$350,000.00 for a grant pool for an "enhance quality improvement program" (EQUIP) specifically to establish new family and group home day care providers.

Sec. 628. (1) From the funds appropriated in part 1, up to \$100,000.00 may be used to support the continuation of the "ready to succeed dialogue with Michigan" to continue the exploration and development of a system of early childhood education, care, and support in this state that meets the needs of every child. This appropriation shall be used to leverage other private and public funding to bring together leaders from state and local governments, corporate and small business, the faith community, law enforcement, educators, parents, experts in early childhood development, current providers, and others to continue the development of a voluntary system of universal access to early childhood education, care, and support that respects the diversity of Michigan families.

(2) The "ready to succeed dialogue with Michigan" shall provide a report to the legislature on its activities and recommendations not later than September 30, 2002. The report shall address at least the following items:

(a) Helping parents obtain safe, high-quality early childhood education and care.

(b) Improving the quality of care in Michigan and the qualifications of providers.

(c) Educating parents and community about the importance of quality education and care in the first years of a child's life.

(d) Improving the environment in Michigan for young children including access to quality care for all young children, especially those with special needs and those whose parents work nontraditional hours.

(e) Efforts to organize local community leadership to address the needs of families with young children and coordinate local services to better achieve this goal.

(3) Organizational leadership for planning and conducting the ready to succeed dialogue with Michigan shall be provided by the ready to succeed coordinating committee. Committee membership includes representatives from C.S. Mott, Frey foundation, McGregor fund, the Skillman foundation, W.K. Kellogg foundation, family independence agency, department of education, union organization, ECEC organizations, 6 legislators from the legislative children's caucus, and leaders from priority action teams. The committee shall provide the department with a full accounting of its revenues and expenditures for the period covered by this appropriation.

Sec. 629. (1) From the funds appropriated in part 1, up to \$100,000.00 in TANF funds shall be utilized by the department to contract with multicultural organizations to initiate a careertracked approach to employment of individuals receiving TANF funds. The career training program will include the following criteria:

(a) Eligible participants shall include family independence program recipients and work first clients who are referred by the department to the program.

(b) Training shall be directed to achieving or gaining skills that will lead to full-time employment of the participants.

(c) Eligible participants, as referenced in subdivision (a), who commence employment, will be allowed to complete the training and receive additional support needed to facilitate participation so long as all program participation requirements are met.

(2) It is the intent of this section that program participants satisfy the state work requirements and the program satisfies TANF reporting requirements.

Sec. 630. (1) The department and the department of career development shall continue to collaborate on refining and making available to work first participants clear joint guidelines on the eligibility of participants for postemployment training support and on how training/education hours can be applied toward federal work participation requirements. These guidelines shall balance the ability of participants to obtain training and subsequent long-term, high-wage employment with the need to connect participants with the workplace. Any and all training/education, with the exception of high school completion, and GED preparation, must be occupationally relevant and in demand in the labor market as determined by the workforce development board. Participants must make satisfactory progress while in training/education. The department shall submit a progress report on these continuing efforts to the house and senate appropriations subcommittees with jurisdiction over the department and over the department of career development and to the house and senate fiscal agencies by October 1, 2001.

(2) Work first participants may meet the work participation requirement by combining a minimum of 10 hours per week of work with training/education. Training/education may last up to 12 months and the calculated hours may include actual classroom seat time up to 10 hours per week plus up to 1 hour of study time for each hour of classroom seat time. The combined work and training/education hours must equal the minimum number of hours required to meet the federal work participation requirements, 30 hours per week for a single parent, 35 hours per week for 2-parent families (55 hours if utilizing federally funded day care), and 20 hours per week for single parents with a child under the age of 6. Work first participants may enroll in additional hours of classroom seat time beyond 10 hours. However, these hours and the related study time will not count toward the work participation requirements. The training may be no longer than a 1-year program, or the final year of a 2- or 4-year undergraduate program that is designed to lead to immediate labor force attachment.

(3) Work first participants may meet the federal work participation requirement through enrollment in a short-term vocational program requiring 30 hours of classroom seat time per week for a period not to exceed 6 months, or by enrollment in full-time internships, practicums, or clinicals required by an academic or training institution for licensure, professional certification, or degree completion, without additional work requirements. Two-parent families who receive federally funded day care must work an additional 25 hours per week to meet the federal work participation requirement. In cases where a short-term vocational program lasts less than 6 months, the participant shall be eligible to enroll in 1 additional short-term vocational program for a combined period not to exceed a total of 6 months.

(4) Work first participants who lack a high school diploma or GED and who enroll in high school completion or classes to obtain a GED may count up to 10 hours of classroom seat time, combined with a minimum number of hours of work per week, to meet their federal work participation requirement. There shall be no time limit on high school completion. GED preparation shall be limited to 6 months.

(5) The department and the department of career development shall develop a procedure to ensure that the guidelines established under this section are effectively communicated to all possible participants of the postemployment training and education program, including the provision of outreach activities in community colleges.

Sec. 631. The department shall maintain policies and procedures to achieve all of the following:

(a) The identification of individuals on entry into the system who have a history of domestic violence, while maintaining the confidentiality of that information.

(b) Referral of persons so identified to counseling and supportive services.

If the provider is listed on the central registry, the family independence agency shall immediately send written notice denying the applicant's request for child day care payments.

Sec. 636. The department shall submit a report to the house and senate appropriations committees and the house and senate standing committees having jurisdiction over human services matters by March 1, 2002 on the subject of late payments to child day care providers for the year of 2001. From the funds appropriated in part 1 for homeless shelters within state emergency relief, the department is authorized to make allocations of TANF funds only to the agencies that report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements. Homeless shelters that do not report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements will not receive reimbursements which exceed the per diem amount they received in fiscal year 2000. If a Medicaid recipient is 21 years of age or older, the department shall require a \$0.50 per prescription copayment for a generic drug and a copayment of \$3.00 or less for a brand name drug for which an equivalent generic drug is available, except as prohibited by federal or state law or regulation.

(2) The state shall reimburse the provider for the amount of a copayment if a Medicaid recipient is unable to pay that amount. If federal law prohibits that reimbursement, the prescription copayments in subsection (1) shall revert to the \$1.00 per prescription copayment described in 2000 PA 187, effective October 1, 2001.

(2) For products distributed by pharmaceutical manufacturers not providing quarterly rebates as listed in subsection (1), the department may require preauthorization.

Sec. 1628. It is the intent of the legislature that if the savings for Medicaid pharmacy rebates exceed the amount budgeted in this act, the savings shall first be used to offset any increase in pharmacy costs above that budgeted in this act and then to support and expand coverage under the EPIC program.

Sec. 1629. (1) From the funds appropriated in part 1 for the elder prescription insurance coverage program, the department shall provide prescription drug coverage to noninstitutionalized Michigan residents 65 years of age or older with income at or below 200% of the federal poverty guideline pursuant to the elder prescription insurance coverage act, 2000 PA 499, MCL 550.2001 to 550.2009. Sec. 1630. Medicaid adult dental services, podiatric services, and chiropractic services shall continue at not less than the level in effect on October 1, 1996, except that reasonable utilization limitations may be adopted in order to prevent excess utilization. (2) Effective October 1, 2001, the department shall implement a surcharge payable for all allowable ambulance runs made for Medicaid recipients excluding those recipients enrolled in Medicaid health maintenance organizations.

(3) This surcharge shall be based on average mileage per ambulance run and shall be structured so as to not exceed \$1,000,000.00 in total payments.

Sec. 1640. The department of community health shall distribute \$695,000.00 to children's hospitals that have a high indigent care volume. The amount to be distributed to any given hospital shall be based on a formula determined by the department of community health.

Sec. 1641. An institutional provider that is required to submit a cost report under the medical services program shall submit cost reports completed in full within 5 months after the end of its fiscal year.

Sec. 1642. The department may make separate payments directly to qualifying hospitals serving a disproportionate share of indigent patients, and to hospitals providing graduate medical education training programs. Sec. 1643. Of the funds appropriated in part 1 for graduate medical education in the hospital services and therapy line item appropriation, \$3,635,100.00 shall be allocated for the psychiatric residency training program that establishes and maintains collaborative relations with the schools of medicine at Michigan State University and Wayne State University.

(2) Except as otherwise specified in this section, rural is defined as a city, town, village, or township with a population of not more than 15,000, including those entities if located within a metropolitan statistical area.

Sec. 1645. (1) The outpatient hospital fee adjustor totaling \$16,511,000.00 in fiscal year 2000-2001 to hospitals that are under contract with health maintenance organizations is continued in fiscal year 2001-2002. Up to \$2,500,000.00 of this amount may be utilized to reimburse HMOs that can demonstrate that they have suffered a financial loss due to reimbursing noncontracting hospitals at fee-for-service rates rather than on a per diem basis.

(2) The outpatient hospital fee adjustor shall be paid to hospitals in the following proportion:

(a) 60% of the amount allocated shall be paid to hospitals based on the volume of outpatient services delivered through Medicaid managed care plans.

(b) 40% of the amount allocated shall be paid to hospitals based on the volume of outpatient services delivered under fee-for-service payment rates.

Sec. 1647. From the funds appropriated in part 1 for hospital services, the department shall allocate for graduate medical education not less than was allocated for graduate medical education in fiscal year 2000-2001.

Sec. 1650. (1) The department may require medical services recipients residing in counties offering managed care options to choose the particular managed care plan in which they wish to be enrolled. Persons not expressing a preference may be assigned to a managed care provider.

(2) Persons to be assigned a managed care provider shall be informed in writing of the criteria for exceptions to capitated managed care enrollment, their right to change HMOs for any reason within the initial 90 days of enrollment, the toll-free telephone number for problems and complaints, and information regarding grievance and appeals rights.

(3) The criteria for medical exceptions to HMO enrollment shall be based on submitted documentation that indicates a recipient has a serious medical condition, and is undergoing active treatment for that condition with a physician who does not participate in 1 of the HMOs. If the person meets the criteria established by this subsection, the department shall grant an exception to mandatory enrollment at least through the current prescribed course of treatment, subject to periodic review of continued eligibility.

Sec. 1651. (1) Medical services patients who are enrolled in HMOs have the choice to elect hospice services or other services for the terminally ill that are offered by the HMOs. (b) The department shall require contracted HMOs to submit data determined necessary for evaluation on a timely basis.

(c) A health plans advisory council is functioning that meets all applicable federal and state requirements for a medical care advisory committee. The council shall review at least quarterly the implementation of the department's managed care plans.

(d) Mandatory enrollment of Medicaid beneficiaries living in counties defined as rural by the federal government, which is any nonurban standard metropolitan statistical area, is allowed if there is only 1 HMO serving the Medicaid population, as long as each Medicaid beneficiary is assured of having a choice of at least 2 physicians by the HMO.

(e) Enrollment of recipients of children's special health care services in HMOs shall be voluntary during fiscal year 2001-2002.

(f) The department shall develop a case adjustment to its rate methodology that considers the costs of persons with HIV/AIDS, end stage renal disease, organ transplants, epilepsy, and other high-cost diseases or conditions and shall implement the case adjustment when it is proven to be actuarially and fiscally sound. Implementation of the case adjustment must be budget neutral.

(g) Provision of information on quality and outcome measures to facilitate enrollee comparison and choice of health coverage options.

(h) Ongoing evaluation of the plans' effectiveness.

(i) Consumer involvement in the development of the quality assurance program and consideration of enrollee complaints and satisfaction survey results.

(2) Medicaid HMOs shall apply for accreditation by an appropriate external independent accrediting organization requiring standards recognized by the department once those HMOs have met the application requirements. The state shall accept accreditation of an HMO by an approved accrediting organization as proof that the HMO meets some or all of the state's requirements, if the state determines that the accrediting organization's standards meet or exceed the state's requirements.

(3) Medicaid HMOs shall report encounter data, including data on inpatient and outpatient hospital care, physician visits, pharmaceutical services, and other services specified by the department.

(4) Medicaid HMOs shall assure that all covered services are available and accessible to enrollees with reasonable promptness and in a manner that assures continuity. Medically necessary services shall be available and accessible 24 hours a day and 7 days a week. HMOs shall continue to develop procedures for determining medical necessity which may include a prior authorization process.

(5) Medicaid HMOs shall provide for reimbursement of HMO covered services delivered other than through the HMO's providers if medically necessary and approved by the HMO, immediately required, and that could not be reasonably obtained through the HMO's providers on a timely basis. Such services shall be considered approved if the HMO does not respond to a request for authorization within 24 hours of the request. Reimbursement shall not exceed the Medicaid fee-for-service payment for those services.

(6) Medicaid HMOs shall provide access to appropriate providers, including qualified specialists for all medically necessary services.

(7) Medicaid HMOs shall provide the department with a demonstration of the plan's capacity to adequately serve the HMO's expected enrollment of Medicaid enrollees.

(8) Medicaid HMOs shall provide assurances to the department that it will not deny enrollment to, expel, or refuse to reenroll any individual because of the individual's health status or need for services, and that it will notify all eligible persons of those assurances at the time of enrollment.

(9) Medicaid HMOs shall provide procedures for hearing and resolving grievances between the HMO and members enrolled in the HMO on a timely basis.

(10) Medicaid HMOs shall meet other standards and requirements contained in state laws, administrative rules, and policies promulgated by the department.

Sec. 1655. (1) The department may require a 12-month lock-in to the HMO selected by the recipient during the initial and subsequent open enrollment periods, but allow for good cause exceptions during the lock-in period.

(2) Medicaid recipients shall be allowed to change HMOs for any reason within the initial 90 days of enrollment.

Sec. 1656. (1) The department shall provide an expedited complaint review procedure for Medicaid eligible persons enrolled in HMOs for situations in which failure to receive any health care service would result in significant harm to the enrollee.

(2) The department shall provide for a toll-free telephone number for Medicaid recipients enrolled in managed care to assist with resolving problems and complaints. If warranted, the department shall immediately disenroll persons from managed care and approve fee-for-service coverage.

(3) Annual reports summarizing the problems and complaints reported and their resolution shall be provided to the house of representatives and senate appropriations subcommittees on community health, the house and senate fiscal agencies, the state budget office, and the department's health plans advisory council.

Sec. 1657. If the recipient is discharged from the emergency room, the hospital shall notify the recipient's HMO within 24 hours of the diagnosis and treatment received.

(2) If the treating hospital determines that the recipient will require further medical service or hospitalization beyond the point of stabilization, that hospital must receive authorization from the recipient's HMO prior to admitting the recipient.

(3) Subsections (1) and (2) shall not be construed as a requirement to alter an existing agreement between an HMO and their contracting hospitals nor as a requirement that an HMO must reimburse for services that are not considered to be medically necessary.

Sec. 1658. (1) In lieu of implementing per diems in policy bulletin MSA 01-03 related to Medicaid conditions of participation for hospitals and removing references to per diem payments, the department may utilize up to \$2,500,000.00 from the outpatient adjustor and \$1,500,000.00 from available lapses in the health plan services line to reimburse HMOs that can demonstrate that they have suffered a financial loss due to reimbursing noncontracting hospitals at fee-for-service rates rather than on a per diem basis. Medicaid notices of proposed policies 0039-Hospital and 0004-Hospital, relating to payments under the outpatient hospital adjustor and graduate medical education payments respectively, shall have all references to per diem payments deleted.

(2) It is the intent of the legislature that HMOs shall have contracts with hospitals within a reasonable distance from their enrollees. If a hospital does not contract with 1 or more HMOs, in which it has no financial interest and whose facility is in a service area with 1 or more HMOs, that hospital shall allow for the admission of HMO enrollees by a physician under contract with excluded HMOs who has admitting privileges at that hospital.

(3) In the absence of a contract with a hospital, an HMO shall reimburse that hospital at Medicaid fee-for-service rates for medically necessary and appropriately authorized services, arranged by a physician under contract with the HMO and who has admitting privileges at that hospital. The department shall reimburse the HMO the differential between the actuarially equivalent per diem rate and the actual Medicaid fee-for-service payment that was paid to the hospital by the HMO.

(4) The conditions specified in subsection (3) shall only apply to those HMOs that can certify that the capitation rates, on which their bid for inclusion in the state's Medicaid managed care program was made, were based on per diem and not fee-for-service estimates for inpatient hospital services.

Sec. 1659. The following sections are the only ones that shall apply to the following Medicaid managed care programs, including the comprehensive plan, children's special health care services plan, MI Choice long-term care plan, and the mental health, substance abuse, and developmentally disabled services program: 402, 404, 413, 414, 418, 1612, 1642, 1650, 1651, 1653, 1654, 1655, 1656, 1657, 1658, 1660, 1661, and 1662.

Sec. 1660. (1) The department shall assure that all Medicaid children have timely access to EPSDT services as required by federal law. Medicaid HMOs shall provide EPSDT services to their child members in accordance with Medicaid EPSDT policy.

(2) The primary responsibility of assuring a child's hearing and vision screening is with the child's primary care provider. The primary care provider shall provide age appropriate screening or arrange for these tests through referrals to local health departments. Local health departments shall provide preschool hearing and vision screening services and accept referrals for these tests from physicians or from Head Start programs in order to assure all preschool children have appropriate access to hearing and vision screening. Local health departments shall be reimbursed for the cost of providing these tests for Medicaid eligible children by the Medicaid program.

(3) The department shall require Medicaid HMOs to provide EPSDT utilization data through the encounter data system, and health employer data and information set well child health measures in accordance with the National Committee on Quality Assurance prescribed methodology.

(4) The department shall require HMOs to be responsible for well child visits and maternal and infant support services as described in Medicaid policy. These responsibilities shall be specified in the information distributed by the HMOs to their members.

(5) The department shall provide, on an annual basis, budget neutral incentives to HMOs and local health departments to improve performance on measures related to the care of children and pregnant women for Medicaid health plans and local health departments.

Sec. 1661. (1) The department shall assure that all Medicaid eligible children and pregnant women have timely access to MSS/ISS services. Medicaid HMOs shall assure that maternal support service screening is available to their pregnant members and that those women found to meet the maternal support service high-risk criteria are offered maternal support services. Local health departments shall assure that maternal support service screening is available for Medicaid pregnant women not enrolled in an HMO and that those women found to meet the maternal support service high-risk criteria are offered maternal support services or are referred to a certified maternal support service provider.

(2) The department shall prohibit HMOs from requiring prior authorization of their contracted providers for any EPSDT screening and diagnosis service, for any MSS/ISS screening referral, or for up to 3 MSS/ISS service visits.

(3) The department shall assure the coordination of MSS/ISS services with the WIC program, state-supported substance abuse, smoking prevention, and violence prevention programs, the family independence agency, and any other state or local program with a focus on preventing adverse birth outcomes and child abuse and neglect.

Sec. 1662. (1) The department shall require the external quality review contractor to conduct a review of all EPSDT components provided to children from a statistically valid sample of health plan medical records.

(2) The department shall provide a copy of the analysis of the Medicaid HMO annual audited health employer data and information set reports and the annual external quality review report to the senate and house of representatives appropriations subcommittees on community health, the senate and house fiscal agencies, and the state budget director, within 30 days of the department's receipt of the final reports from the contractors.

(3) The department shall work with the Michigan association of health plans and the Michigan association for local public health to improve service delivery and coordination in the MSS/ISS and EPSDT programs.

(4) The department shall provide training and technical assistance workshops on EPSDT and MSS/ISS for Medicaid health plans, local health departments, and MSS/ISS contractors.

Sec. 1663. (1) Local health departments and HMOs shall work with interested hospitals in their area on training and coordination to identify and make MSS/ISS referrals.

(2) Local health departments shall work with interested hospitals, school-based health centers, clinics, other community organizations, and local family independence agency offices in their area on training and coordination to distribute and facilitate the completion of MICHild and Healthy Kids application forms for persons who are potentially eligible for the program.

Sec. 1670. (1) The appropriation in part 1 for the MICHild program is to be used to provide comprehensive health care to all children under age 19 who reside in families with income at or below 200% of the federal poverty level, who are uninsured and have not had coverage by other comprehensive health insurance within 6 months of making application for MICHild benefits, and who are residents of this state. The department shall develop detailed eligibility criteria through the medical services administration public concurrence process, consistent with the provisions of this act. Health care coverage for children in families below 150% of the federal poverty level shall be provided through expanded eligibility under the state's Medicaid program. Health coverage for children in families between 150% and 200% of the federal poverty level shall be provided through a state-based private health care program.

(2) The department shall enter into a contract to obtain MICHild services from any HMO, dental care corporation, or any other entity that offers to provide the managed health care benefits for MICHild services at the MICHild capitated rate. As used in this subsection:

(a) "Dental care corporation", "health care corporation", "insurer", and "prudent purchaser agreement" mean those terms as defined in section 2 of the prudent purchaser act, 1984 PA 233, MCL 550.52.

(b) "Entity" means a health care corporation or insurer operating in accordance with a prudent purchaser agreement.

(3) The department may enter into contracts to obtain certain MICHild services from community mental health service programs.

(4) The department may make payments on behalf of children enrolled in the MICHild program from the line-item appropriation associated with the program as described in the MICHild state plan approved by the United States department of health and human services, or from other medical services line-item appropriations providing for specific health care services.

Sec. 1671. From the funds appropriated in part 1, the department shall continue a comprehensive approach to the marketing and outreach of the MICHild program. The marketing and outreach required under this section shall be coordinated with current outreach, information dissemination, and marketing efforts and activities conducted by the department.

Sec. 1672. The department may provide up to 1 year of continuous eligibility to children eligible for the MICHild program unless the status of the children's family changes and its members no longer meet the eligibility criteria as specified in the federally approved MICHild state plan.

Sec. 1673. The department may establish premiums for MICHild eligible persons in families with income above 150% of the federal poverty level. The monthly premiums shall not exceed \$5.00 for a family.

Sec. 1674. The department shall not require copayments under the MICHild program.

Sec. 1675. Children whose category of eligibility changes between the Medicaid and MICHild programs shall be assured of keeping their current health care providers through the current prescribed course of treatment for up to 1 year, subject to periodic reviews by the department if the beneficiary has a serious medical condition and is undergoing active treatment for that condition.

Sec. 1676. To be eligible for the MICHild program, a child must be residing in a family with an adjusted gross income of less than or equal to 200% of the federal poverty level. The department's verification policy shall be used to determine eligibility.

Sec. 1677. The MICHild program shall provide all benefits available under the state employee insurance plan that are delivered through contracted providers and consistent with federal law, including, but not limited to, the following medically necessary services:

(a) Inpatient mental health services, other than substance abuse treatment services, including services furnished in a state-operated mental hospital and residential or other 24-hour therapeutically planned structured services.

(b) Outpatient mental health services, other than substance abuse services, including services furnished in a state-operated mental hospital and community-based services.

(c) Durable medical equipment and prosthetic and orthotic devices.

(d) Dental services as outlined in the approved MICHild state plan.

(e) Substance abuse treatment services that may include inpatient, outpatient, and residential substance abuse treatment services.

(f) Care management services for mental health diagnoses.

(g) Physical therapy, occupational therapy, and services for individuals with speech, hearing, and language disorders.

(h) Emergency ambulance services.

Sec. 1678. The department shall explore options under the federal state children's health insurance program (SCHIP), including waiver requests, to extend coverage to low-income parents of MICHild eligible children. The department may also explore options to increase the Medicaid income disregard for parents of Medicaid or MICHild eligible children who have income up to 100% of the federal poverty level. The department shall issue a report that identifies the estimated number of persons to be served and the projected costs for the various health care coverage options considered to the house and senate appropriations subcommittees on community health and the house and senate fiscal agencies by March 1, 2002.

Sec. 1680. (1) It is the intent of the legislature that payment increases for enhanced wages and new or enhanced employee benefits provided through the Medicaid nursing home wage pass-through program in previous years be continued in fiscal year 2001-2002.

(2) The department shall provide a report to the house and senate appropriations subcommittees on community health and the house and senate fiscal agencies regarding the amount of nursing home employee wage and benefit increases provided through the nursing home wage pass-through program in fiscal year 2000-2001.

Sec. 1681. (1) The department may fund home and community-based services in lieu of nursing home services, for individuals seeking long-term care services, from the nursing home or personal care in-home services line items.

(2) The department shall provide a report on the pilot project to coordinate services between the home and community-based services and the adult home help programs to the house and senate appropriations subcommittees on community health and the house and senate fiscal agencies by April 1, 2002.

Sec. 1682. (1) The department shall implement enforcement actions as specified in the nursing facility enforcement provisions of section 1919 of title XIX, chapter 531, 49 Stat. 620, 42 U.S.C. 1396r.

(2) The department is authorized to receive and spend penalty money received as the result of noncompliance with medical services certification regulations. Penalty money, characterized as private funds, received by the department shall increase authorizations and allotments in the long-term care accounts.

(3) Any unexpended penalty money, at the end of the year, shall carry forward to the following year.

Sec. 1683. The department shall promote activities that preserve the dignity and rights of terminally ill and chronically ill individuals. Priority shall be given to programs, such as hospice, that focus on individual dignity and quality of care provided persons with terminal illness and programs serving persons with chronic illnesses that reduce the rate of suicide through the advancement of the knowledge and use of improved, appropriate pain management for these persons; and initiatives that train health care practitioners and faculty in managing pain, providing palliative care, and suicide prevention.

Sec. 1684. The long-term care working group established in section 1657 of 1998 PA 336 shall continue to exist to review the allocation of the long-term care innovations grant funding and to monitor the implementation of the demonstration projects being funded. The department shall not implement a long-term care plan until the expiration of 24 days during which at least 1 house of the legislature convenes after the long-term care working group has submitted the written long-term care plan to the senate majority leader, the speaker of the house, the senate and house appropriations subcommittees on community health, and the state budget director.

Sec. 1685. All nursing home rates, class I and class III, must have their respective fiscal year rate set 30 days prior to the beginning of their rate year. Rates may take into account the most recent cost report prepared and certified by the preparer, provider corporate owner or representative as being true and accurate, and filed timely, within 5 months of the fiscal year end in accordance with Medicaid policy. If the audited version of the last report is available, it shall be used. Any rate factors based on the filed cost report may be retroactively adjusted upon completion of the audit of that cost report.

Sec. 1686. (1) Medicaid payment rates for nursing home services that take effect on or after October 1, 2001 shall be based on a minimum resident occupancy requirement of 85%.

(2) A nursing home that removes beds to reduce its licensed bed capacity may remove the beds from anywhere in the facility and does not have to remove only beds adjacent to each other. The facility cost for space from which beds are removed to downsize wards or create private rooms shall remain as an allowable Medicaid cost. The department shall not require nursing home beds removed under this policy to remain out of service for more than 1 year, and a shorter period of time may be approved by the department.

Sec. 1688. (1) In consultation with the nursing home industry, the department shall conduct a study to address the apparent liability insurance increases for nursing homes. The study may include recommendations such as creating a self-insured fund, a catastrophic claim fund, a cost-settled Medicaid pass-through for liability insurance increases if not in the base rate, or implementing an alternative methodology. The department shall provide its findings and recommendations from this study to the senate and house of representatives appropriations subcommittees on community health, the senate and house fiscal agencies, and the state budget director no later than April 1, 2002.

(2) The department shall allocate \$1,000,000.00 for capitalization purposes to establish a professional liability insurance product for Michigan nursing facilities that is consistent with the study recommendations in subsection (1). Only nursing facilities that have Medicaid certified beds shall be able to participate in this insurance product. Premiums paid for this product are an allowable Medicaid cost to the extent allowed under state and federal law.

Sec. 1689. The department shall not impose a limit on per unit reimbursements to service providers that provide personal care or other services under the Medicaid home and community-based waiver program for the elderly and disabled. The department's per day per client reimbursement cap calculated in the aggregate for all services provided under the Medicaid home and community-based waiver is not a violation of this section.

Sec. 1690. (1) From the funds appropriated in part 1 for the indigent medical care program, the department shall establish a program that provides for the basic health care needs of indigent persons as delineated in the following subsections.

(2) Eligibility for this program is limited to the following:

(a) Persons currently receiving cash grants under either the family independence program or state disability assistance programs who are not eligible for any other public or private health care coverage.

(b) Any other resident of this state who currently meets the income and asset requirements for the state disability assistance program and is not eligible for any other public or private health care coverage.

(3) All potentially eligible persons, except those defined in subsection (2)(a), who shall be automatically enrolled, may apply for enrollment in this program at local family independence agency offices or other designated sites.

(4) The program shall provide for the following minimum level of services for enrolled individuals:

(a) Physician services provided in private, clinic, or outpatient office settings.

(b) Diagnostic laboratory and x-ray services.

(c) Pharmaceutical services.

(5) Notwithstanding subsection (2)(b), the state may continue to provide nursing facility coverage, including medically necessary ancillary services, to individuals categorized as permanently residing under color of law and who meet either of the following requirements:

(a) The individuals were medically eligible and residing in such a facility as of August 22, 1996 and qualify for emergency medical services.

(b) The individuals were Medicaid eligible as of August 22, 1996, and admitted to a nursing facility before a new eligibility determination was conducted by the family independence agency.

Sec. 1691. (1) From the funds appropriated in part 1, the department, subject to the requirements and limitations in this section, shall establish a funding pool of up to \$44,012,800.00 for the purpose of enhancing the aggregate payment for medical services hospital services.

(2) For a county with a population of more than 2,000,000 people, the department shall distribute \$44,012,800.00 to hospitals if \$15,026,700.00 is received by the state from such a county, which meets the criteria of an allowable state matching share as determined by applicable federal laws and regulations. If the state receives a lesser sum of an allowable state matching share from such a county, the amount distributed shall be reduced accordingly.

(3) The department may establish county-based, indigent health care programs that are at least equal in eligibility and coverage to the fiscal year 1996 state medical program.

(4) The department is authorized to establish and expand programs in counties that include rural, underserved areas if the expenditures for the programs do not increase state general fund/general purpose costs and local funds are provided.

(5) If a locally administered indigent health care program replaces the state medical program authorized by section 1690 for a given county on or before October 1, 1998, the state general fund/general purpose dollars allocated for that county under this section shall not be less than the general fund/general purpose expenditures for the state medical program in that county in the previous fiscal year.

Sec. 1692. (1) The department of community health is authorized to pursue reimbursement for eligible services provided in Michigan schools from the federal Medicaid program. The department and the state budget director are authorized to negotiate and enter into agreements, together with the department of education, with local and intermediate school districts regarding the sharing of federal Medicaid services funds received for these services. The department is authorized to receive and disburse funds to participating school districts pursuant to such agreements and state and federal law.

(2) From the funds appropriated in part 1 for medical services school services payments, the department is authorized to do all of the following:

(a) Finance activities within the medical services administration related to this project.

(b) Reimburse participating school districts pursuant to the fund sharing ratios negotiated in the state-local agreements authorized in subsection (1).

(c) Offset general fund costs associated with the medical services program.

Sec. 1693. The special adjustor payments appropriation in part 1 may be increased if the department submits a medical services state plan amendment pertaining to this line item at a level higher than the appropriation. The department is authorized to appropriately adjust financing sources in accordance with the increased appropriation.

Sec. 1695. It is the sense of the legislature that disproportionate share hospital payments and other similar adjustor payments should be equitably distributed on a statewide basis. No later than February 1, 2002, the department shall provide a report to the chairs of the senate and house of representatives appropriations subcommittees on community health and the senate and house fiscal agencies on the methodology used to distribute disproportionate share hospital payments and other similar adjustor payments. This report shall include the existing distribution of these funds by geographic location.

Sec. 1696. It is the intent of the legislature that the department implement by April 1, 2002, a magnetic card identification system for the Medicaid program that will assist in the eligibility verification process.

Sec. 1697. (1) As may be allowed by federal law or regulation, the department may use funds provided by a local or intermediate school district, which have been obtained from a qualifying health system, as the state match required for receiving federal Medicaid or children health insurance program funds. Any such funds received shall be used only to support new school-based or school-linked health services.

(2) A qualifying health system is defined as any health care entity licensed to provide health care services in the state of Michigan, that has entered into a contractual relationship with a local or intermediate school district to provide or manage school-based or school-linked health services.

Sec. 1698. From the funds appropriated in part 1 for medical services, \$25,000,000.00 is allocated from the Medicaid benefits trust fund established in the Michigan trust fund act, 2000 PA 489, MCL 12.251 to 12.256, due to the federal disallowance of claims related to school-based services.

(2) A changed policy described in subsection (1) shall not be more restrictive than those developed for the EPIC program. In addition, this section does not authorize or allow therapeutic substitution.

(3) Any changes described in subsection (1) shall become effective 30 days after the department submits these changes to the chairpersons unless 1 or both of the chairpersons disapprove of the changes. Motions and Resolutions

Rep. Patterson offered the following concurrent resolution:

House Concurrent Resolution No. 34.

A concurrent resolution to explain and urge the Governor to support and sign Senate Bill No. 546.

Whereas, During the last decade, Michigan's population grew by 643,147 people, an increase of approximately seven percent. Despite Michigan's population growth, the 2000 decennial census has resulted in Michigan being apportioned fifteen congressional seats for the next ten years, one fewer than ten years ago. Based on Michigan's population of 9,938,444, the ideal size of each congressional district is 662,563. This is an increase of 81,600 people from the ideal district size in the current congressional districting plan. In addition to a change in overall population, during the last decade, significant demographic shifts occurred in the state. Perhaps the most significant of these shifts was the continued loss of population in the City of Detroit and certain inner-suburban areas. Detroit alone lost over 75,000 people. At the same time, the outer suburbs of the Detroit metropolitan area and much of the Northern Lower Peninsula experienced significant growth. As a result of these changes, Michigan's congressional districts for the next decade must change as well. Senate Bill No. 546 establishes new congressional districts for the State of Michigan; and

Whereas, In 1999, the Legislature enacted statutory criteria to be applied in redistricting Michigan's congressional districts (1999 PA 221). These criteria incorporate the federal constitutional requirement of precise mathematical equality of population in each district. They also require compliance with section 2 of the federal Voting Rights Act. As "secondary" state criteria, 1999 PA 221 requires, in descending order of priority, that congressional districts (1) shall break as few county boundaries as reasonably possible, (2) shall break as few city or township boundaries as reasonably possible, and (3) within a city or township to which there is apportioned more than one congressional district, districts shall be as compact as possible. (The third secondary criterion is inapplicable in the current redistricting cycle because no Michigan city is large enough to encompass more than one congressional seat); and

Whereas, The secondary criteria established for congressional redistricting are similar to the criteria utilized by the Federal District Court when it drew Michigan Congressional districts in 1992 (*Good v Austin*, 800 F Supp 551 (1992)). They are also similar to the so-called "Apol Criteria" utilized by the Michigan Supreme Court for redistricting the Michigan Legislature in 1982 and 1992. The Apol Criteria were enacted into law in 1996 for use in state legislative redistricting. Among other things, they effectuate a long-standing state constitutional policy of preserving county and, to a lesser extent, city and township boundary lines in the redistricting of the state Legislature. While this constitutional policy is not directly applicable to congressional districting, the Legislature nevertheless adopted it as a statutory policy for congressional districts; and

Whereas, Unlike the Apol Criteria, which require the fewest possible breaks in county and municipal lines, the congressional redistricting criteria require only that district lines break as few county, city, and township boundary lines "as is reasonably possible." The reason for this difference is that federal courts have held that population deviations of up to 10% between state legislative districts to achieve legitimate state goals are presumptively valid. This flexibility—as distinguished from the requirement of precise mathematical equality for congressional districts—better enables the achievement of the fewest possible breaks in a redistricting plan for the Legislature; and

Whereas, Except within cities apportioned more than one congressional seat (and there are currently none), compactness is not a requirement. As the Michigan Supreme Court observed in its 1982 state redistricting decision, compactness is not an end in itself but rather a means of avoiding political gerrymandering (*In Re Apportionment* - 1982, 413 Mich 96, 134 (1982)). Requiring preservation of county, city, and township boundary lines effectively achieves the same anti-gerrymandering purpose. Furthermore, use of counties, cities, and townships as the basic building blocks for districts helps assure reasonable spatial uniformity among districts (*In Re Apportionment* - 1982, 413 Mich 133); and

Whereas, The statutory criteria for congressional redistricting are set forth in MCL § 3.63. They are as follows:

Except as otherwise required by federal law for congressional districts in this state, the redistricting plan shall be enacted using only these guidelines in the following order of priority:

(a) The constitutional guideline is that each congressional district shall achieve precise mathematical equality of population in each district.

(b) The federal statutory guidelines in no order of priority are as follows:

(i) Each congressional district shall be entitled to elect a single member.

(ii) Each congressional district shall not violate section 2 of title I of the voting rights act of 1965, public Law 89-110, 42 U.S.C. 1973.

(c) The secondary guidelines in order of priority are as follows:

(i) Each congressional district shall consist of areas of convenient territory contiguous by land.

Areas that meet only at points of adjoining corners are not contiguous.

(ii) Congressional district lines shall break as few county boundaries as is reasonably possible.

(iii) If it is necessary to break county lines to achieve equality of population between congressional districts as provided in subdivision (a), the number of people necessary to achieve population equality shall be shifted between the 2 districts affected by the shift.

(iv) Congressional district lines shall break as few city and township boundaries as is reasonably possible.

(v) If it is necessary to break city or township lines to achieve equality of population between congressional districts as provided in subdivision (a), the number of people necessary to achieve population equality shall be shifted between the 2 districts affected by the shift.

(vi) Within a city or township to which there is apportioned more than 1 congressional district, district lines shall be drawn to achieve the maximum compactness possible.

(vii) Compactness shall be determined by circumscribing each district within a circle of minimum radius and measuring the area, not part of the Great Lakes and not part of another state, inside the circle but not inside the district.

(viii) If a discontinuous township island exists within an incorporated city or discontinuous portions of townships are split by an incorporated city, the splitting of the township shall not be considered a split if any of the following circumstances exist:

(A) The city must be split to achieve equality of population between congressional districts as provided in subdivision (a) and it is practicable to keep the township together within 1 district.

(B) A township island is contained within a whole city and a split of the city would be required to keep the township intact.

(C) The discontinuous portion of a township cannot be included in the same district with another portion of the same township without creating a noncontiguous district.

(ix) Each congressional district shall be numbered in a regular series, beginning with congressional district 1 in the northwest corner of the state and ending with the highest numbered district in the southeast corner of the state.

; and

Whereas, In determining the number of county breaks in a proposed plan, the House and Senate utilized the same methodology that the Supreme Court utilized in redistricting the Legislature in 1982 and 1992. This methodology is set forth in publicly available correspondence between the Supreme Court and its special master for the 1982 plan and in footnote seven of the concurring opinion of Justices Levin and Fitzgerald in the 1982 redistricting case (In Re Apportionment - 1982, 413 Mich 96, 155, n.7.) That methodology for determining county breaks is as follows:

1. Breaking a county line means assigning part of the population of a county to one or more other counties in the formation of a district.

2. If population is shifted from a county to a single election district (even if it comes from two geographically-separate whole cities or townships), that counts as one break. However, if population from that county is shifted to two or more election districts, that counts as two or more breaks.

3. A subsidiary rule (an exception) is that if one part of a county is shifted to one district and all the rest of the county is shifted to another district, that counts as one break.

; and

Whereas, The number of municipal breaks was determined by essentially the same methodology:

1. Breaking a municipal line means assigning part of the population of a municipality to one or more other municipalities or counties in the formation of a district.

2. If population is shifted from a municipality to a single election district, that counts as one break. However, if population from that municipality is shifted to two or more election districts, that counts as two or more breaks.

3. A subsidiary rule (an exception) is that if one part of a municipality is shifted to one district and all the rest of the municipality is shifted to another district, that counts as one break.

4. If the boundary of a city, which is located in more than one county, is broken in order to preserve a county boundary, that does not count as a municipal break.

; and

Whereas, The United States Supreme Court has observed that districting solely to achieve population equality “may be little more than an open invitation to partisan gerrymandering” (Reynolds v Sims, 377 US 533, 578 (1969)). The secondary criteria requiring the preservation of political subdivision boundaries to the extent reasonably possible substantially limits discretionary decision-making, and thus limits the opportunities for political gerrymandering; and

Whereas, Decennial census data became available in Michigan on March 28, 2001. Creation of a redistricting plan requires 2000 Census population data and 2000 Census geography, known as TIGER/Line files. All of this data has been made publicly available by both the Michigan Information Center and the United States Census Bureau from the date it was received by the state. Interested citizens and members of the Legislature have had since that date the opportunity to draft redistricting plans consistent with the statutory criteria; and

Whereas, On June 8, 2001, the Majority Leader of the Senate and the Speaker of the House announced the likelihood that redistricting legislation would be taken up before the summer recess. They asked that proposed plans and comments be submitted to the Secretary of the Senate and the Clerk of the House of Representatives not later than June 18, 2001. On June 20, 2001, that deadline was extended to June 25, 2001; and

Whereas, The Senate Committee on Redistricting held a committee hearing on June 25, 2001. After entertaining public comment, Senate Bill No. 546 was reported favorably with substitute (S-2) to the Senate floor. The Senate thereafter passed Senate Bill No. 546; and

Whereas, Senate Bill No. 546 was referred to the House Committee on Redistricting and Elections. The House Committee on Redistricting and Elections held a committee hearing on July 10, 2001. After entertaining public comment, the Committee reported Senate Bill No. 546 favorably; and

Whereas, The plan recommended by the House Committee on Redistricting and Elections for the United States House of Representatives consists of 15 single member districts comprised of convenient territories contiguous by land. The population of each district is 662,563; the number of breaks in county boundaries is 11; the number of breaks in city and township lines is 14. This is the plan which is most in compliance with the statutory redistricting criteria, constitutional, and statutory requirements of any plan before the Legislature; and

Whereas, This redistricting plan was designed to comply fully with both section 2 of the Voting Rights Act and the requirements of the Fourteenth Amendment's equal protection clause, as set forth in Shaw v Reno, 509 US 630 (1993) and subsequent cases concerning racial gerrymandering. Aware of these dual obligations, this plan avoids any practice or district lines which result in the denial of any racial or ethnic group's equal opportunity to elect a representative of their choice and, at the same time, does not subordinate traditional redistricting principles for the purpose of accomplishing a racial gerrymander or creating a majority-minority district. As a consequence, the plan does not result in retrogression or dilution of minority voting strength, particularly in light of the demographic limitations caused by relative population losses and the neutral criteria set forth in MCL § 3.63. On the other hand, the plan does not sacrifice traditional neutral principles, such as, most importantly, preservation of county and municipal boundaries, for the purpose of engaging in a gerrymander that unnecessarily favors one racial group over others; and

Whereas, The plan furthers the underlying purpose of the state constitution by facilitating effective representation in the Congress where elected representatives can advance the shared interests of unified municipalities or counties. It does so without sacrificing Voting Rights Act principles, equal electoral opportunities, or racial fairness; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the Governor to support and sign Senate Bill No. 546; and be it further

Resolved, That a copy of this resolution be transmitted to the Office of the Governor.

The resolution was referred to the Committee on Redistricting and Elections.

Sec. 3. The secretary of state shall prepare a map and a legal description of each district constituted under this act. The legal description shall be in terms of political subdivisions, such as counties, cities, and townships; man-made features, such as streets, roads, highways, and railroads; and natural features, such as waterways, which political subdivisions and man-made and natural features form the boundaries of the district. The secretary of state shall convey the map and legal description of each district to the legislature and the governor.

Sec. 4. The secretary of the senate and the clerk of the house of representatives shall transmit a report of the conference committee explaining this act to the secretary of state for filing with the office of the great seal.

Sec. 5. All of the following apply to the redistricting plans in sections 1 and 2:

(a) In adopting the redistricting plans for the house of representatives and the senate, it is the intention of the legislature to comply fully with sections 1 and 1a of 1996 PA 463, MCL 4.261 and 4.261a.

(b) The number of county breaks in the redistricting plans is determined by the following principles:

(i) Breaking a county line means assigning part of the population of a county to 1 or more counties in the formation of a district.

(ii) If population is shifted from a county to a single election district, including a district from 2 geographically-separate whole cities or whole townships, there is 1 break. Except as provided in subparagraph (iii), if population from a county is shifted to 2 or more election districts, there are 2 or more breaks.

(iii) If 1 part of a county is shifted to a district and the rest of the county is shifted to another district, there is 1 break.

(c) The number of municipal breaks in the redistricting plans is determined by the following principles:

(i) Breaking a municipal line means assigning part of the population of a municipality to 1 or more municipalities or counties in the formation of a district.

(ii) If population is shifted from a municipality to a single election district, there is 1 break. Except as provided in subparagraph (iii), if population from a municipality is shifted to 2 or more election districts, there are 2 or more breaks.

(iii) If 1 part of a municipality is shifted to a district and the rest of the municipality is shifted to another district, there is 1 break.

(iv) If the boundary of a city, which is located in more than 1 county, is broken in order to preserve a county boundary, that does not count as a municipal break.

(d) The redistricting plans were designed to comply fully with both section 2 of the voting rights act of 1965, Public Law 89-110, 42 U.S.C. 1973, and the requirements of the equal protection clause of amendment XIV of the constitution of the United States, as set forth in Shaw v Reno, 509 US 630 (1993), and subsequent cases concerning racial gerrymandering. In light of these dual obligations, the plans avoid any practice or district lines that result in the denial of any racial or ethnic group's equal opportunity to elect a representative of its choice and, at the same time, does not subordinate traditional redistricting principles for the purpose of accomplishing a racial gerrymander or creating a majority-minority district. As a consequence, the plans do not result in retrogression or dilution of minority voting strength, particularly in light of the demographic limitations caused by relative population losses and the neutral criteria set forth in section 1 of 1996 PA 463, MCL 4.261. However, the plans do not sacrifice traditional neutral principles, such as, most importantly, the Michigan constitutional principles of preservation of county and municipal boundaries, for the purpose of engaging in a gerrymander that unnecessarily favors 1 racial group over others.

(e) The plans further the underlying purpose of the state constitution of 1963 by facilitating effective representation in the legislature where elected representatives can advance the shared interests of unified municipalities or counties. They do so without sacrificing voting rights act of 1965 principles, equal electoral opportunities, or racial fairness.
